Live Free annual Outreach, Fri- Sun. July 21-23, 2017

What is Live Free festival?

Live Free Festival is a 3-day annual summer event, for the Arabic speaking community. This spiritual festival is provided by Hope Church and emphasizes Biblical teaching for the entire family. Live Free will offer hope, encouragement, instruction and inspiration from God's word. It is our desire is for everyone to discover the freedom of a relationship with Jesus Christ, learn what the Bible teaches about growing in His love and then see how this can be lived out and demonstrated to others.

We also have a special program for the children taking place at the same time that will teach them how to live as a child of God, first, and then live that life in their community.
